Data Dictionary

Data Label	Data Type	Data Description
Accident	Text	A Yes/No indication of an injury due to a workplace accident (not an occupational disease) as determined by the WCB.
Accident Date	Date	Injury date of the claim.
Age at Injury	Numeric	Age of injured worker when the injury occurred.
Alternative Dispute Resolution	Text	Claims subject to adjudication processes external to the Board. Y=Yes; N=No; U=Unknown
ANCR Date	Date	The date when ANCR (Accident, Notice and Causal Relationship) was determined and the claim was established. Minimal conditions must be met before financial responsibility can be assigned to a claim for workers' compensation. Specifically, it must be established that <ul style="list-style-type: none"> a) a work-related accident covered by the Workers' Compensation Law has occurred; b) following the accident, the injured worker has notified her/his employer within the time limit required by the Workers' Compensation Law; and c) a causal relationship exists between the accident and the resulting injury or disability.
Assembly Date	Date	The date the claim was first assembled. The WCB "assembles" a claim in which an injured worker has lost more than one week of work, has a serious injury that may result in a permanent disability, is disputed by the carrier or employer, or receives a claim form from the injured worker (Form C-3).
Attorney/Representative	Text	Is the claim being represented by an Attorney/Representative? Y=Yes; N=No
Average Weekly Wage (AWW)	Numeric	The wage used to calculate workers' compensation benefits, disability benefits, or an employee's Paid Family Leave wage replacement benefits. For workers' compensation, the AWW is an employee's average weekly gross earnings, including overtime and other compensation, for the previous 52 weeks. For short-term disability and Paid Family leave, the average weekly wage is defined as the average of the employee's weekly wage for the last eight weeks worked. Blank means data was not provided.

Birth Year	Numeric	The reported year of birth of the injured worker. Blank means data was not provided.
C-2 date	Date	Date of receipt of the Employer's Report of Work-Related Injury/Illness or equivalent (formerly Form C-2). Blank indicates no form received. For data sets published prior to the first quarter of 2022, the C-2 Date is the date of receipt of the "Employer's Report of Work-Related Injury/Illness" for C-2. For data sets created in the first quarter of 2022 and forward, the C-2 Date is set to the earliest received date of equivalent injury/illness filings, including electronic data filed through the Board's eClaims process.
C-3 date	Date	Date Form C-3 was received. Blank indicates no form received. C-3 is the "Employee Claim" form.
Carrier Name	Text	Name of primary insurance provider responsible for providing workers' compensation coverage to the injured worker's employer.
